Listening to Language Interpretation

Windows/Mac:

1. In your meeting/webinar controls, click **Interpretation**.

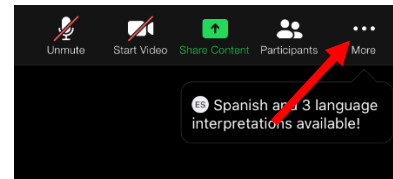

2. Click on English to hear the interpretation of anything a foreign language participant shares.
3. **DO NOT** click **Mute Original Audio**, or you will not be able to hear the presenter.

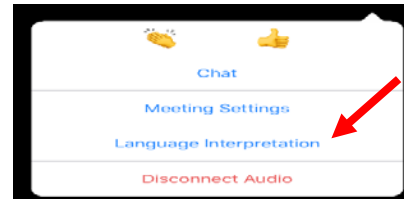

Android/iOS:

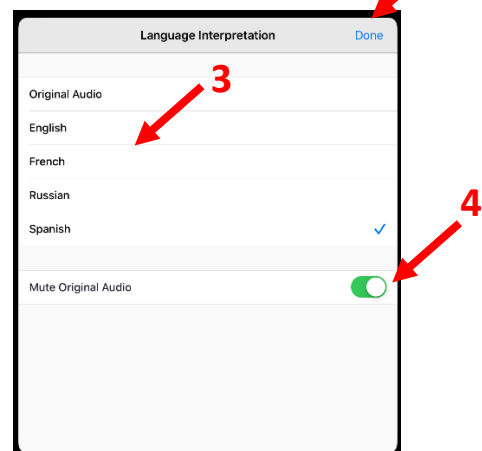

1. In your meeting controls, tap **More**.

2. Tap **Language Interpretation**.

3. Click on English to hear the interpretation of anything a foreign language participant shares.
4. **DO NOT** click **Mute Original Audio**, or you will not be able to hear the presenter
5. Tap on **Done**.
